Liberia
Upgrading of the Salayea to Konia Road Project

The Government of Liberia has applied for financing for the upgrading of the Salayea - Konia Road and intends to use part of the proceeds to finance the procurement of goods, works, non-consulting services, and consulting services under this project. This project is co-financed by the Arab Bank for Economic Development in Africa (BADEA), the Kuwait Fund for Arab Economic Development (KFAED), and the OPEC Fund for International Development (OPEC Fund).

The project includes the following components:

Component 1: Consultancy Services. It includes the preparation of detailed engineering designs for 56 km of roads (approximately), including preparation of environmental and social safeguards documents, economic analyses, and preparation of bidding documents for component 2. This component also includes the construction supervision of the civil works under Component 2 below.

Component 2: Integrated Road Infrastructure. This component includes the upgrade of the current gravel road to asphaltic concrete, incorporating pre-construction and post-construction road safety audits and implementing necessary road safety features.

Component 3: Project Management. It involves financing of socio-economic impact monitoring/evaluation, monitoring the implementation of the environmental and social management plan (ESMP), technical and road safety audits, accounting and financial audits, institutional support, professional training for sector engineers and the Project Implementation Unit (PIU), and equipment of the implementing agencies.

Procurement of contracts financed under this project will be carried out in accordance with the applicable procedures of the financers and is open to all eligible firms and individuals.

Interested eligible firms and individuals who wish to be considered for the provision of goods, works, non-consulting services, and consulting services for the above-mentioned project, or those requiring additional information, should contact the Beneficiary at the address below:
